## **PROP FEST 2009 INFORMATION**

### **What is Prop Fest:**

Prop Fest is a new initiative by Propel Youth Arts WA – a skills development series designed to inspire and empower young people to engage in visual storytelling through creating a short film.

Over four days, video production workshops will be held for budding filmmakers in Perth to develop their digital media and film making skills with award-winning facilitators Tallstoreez Productionz. The full day workshops will provide participants with a fun and interactive introduction to all stages of production, taking a film from birth to launch.

In partnership with Museums Australia WA, Prop Fest will also take young people on an arts tour to some of Perth's best museums to stimulate the growth of arts ideas, explore creative themes and gain inspiration to transform these ideas into film.

Prop Fest aims to develop digital storytelling in Perth amongst young people by taking them through a hands-on film making experience.

**Prop Fest is proudly supported by Lotterywest.**
