

THE BLUE ROOM THEATRE & SCARLET ROSE PRESENTS

GAL PALS

You can, if you want

9TH - 27TH APRIL, 6:30PM

The Blue Room Theatre, Northbridge
blueroom.org.au

Two weeks in conversion therapy. Kat wants to be there, Hez thought it was a leadership camp, and Sloane's brought care packages. In a whirlwind of smuggled phones, attempted escapes, punishment essays and betrayals, five queer kids find their own. It's self-hatred and its religious trauma, but in a fun way! We promise!

Join us for this brand new play by Sam Nerida, directed by up-and-coming Holland Brooks and bringing together generations of Boorloo's queer makers. This is sure to be a night out to remember.
